

Ćwiczenie I.

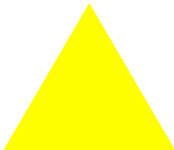

* Wydrukuj. Dorysuj brakujące figur geometryczne według wzoru. Pokoloruj zgodnie z przedstawionym przykładem. Następnie wytnij figury geometryczne i ułóż w kolumnach wg kategorii: kwadraty, koła, trójkąty, prostokąty.

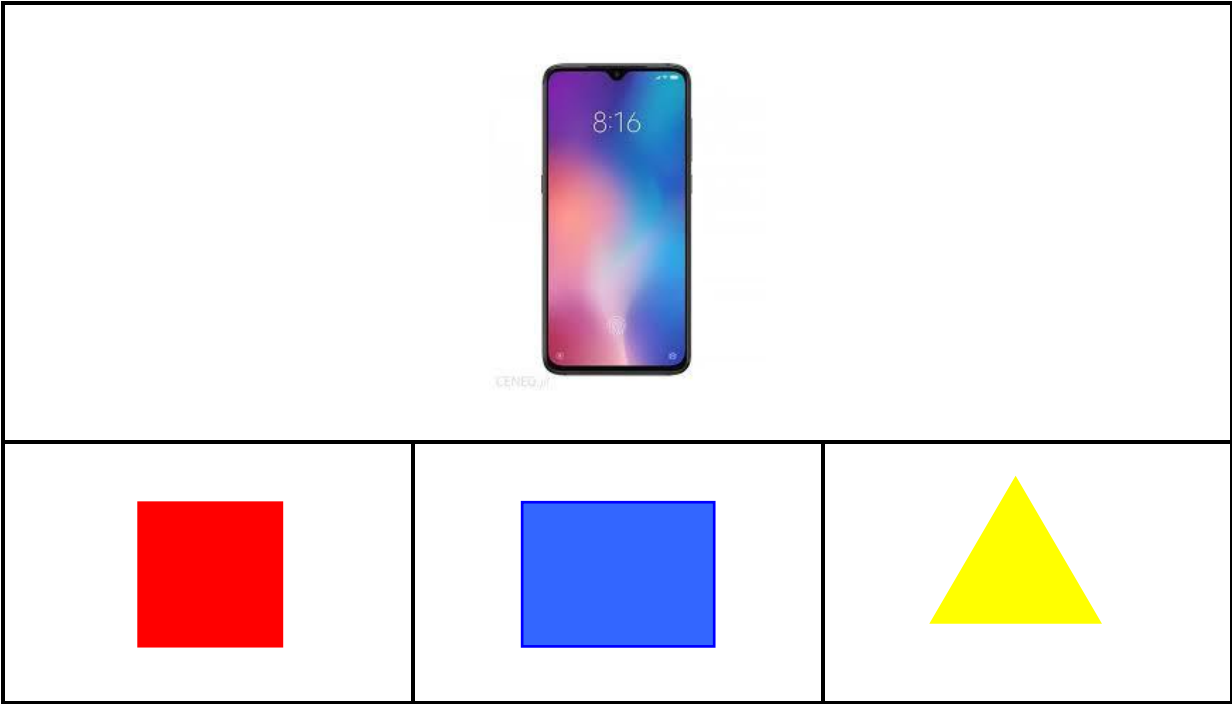

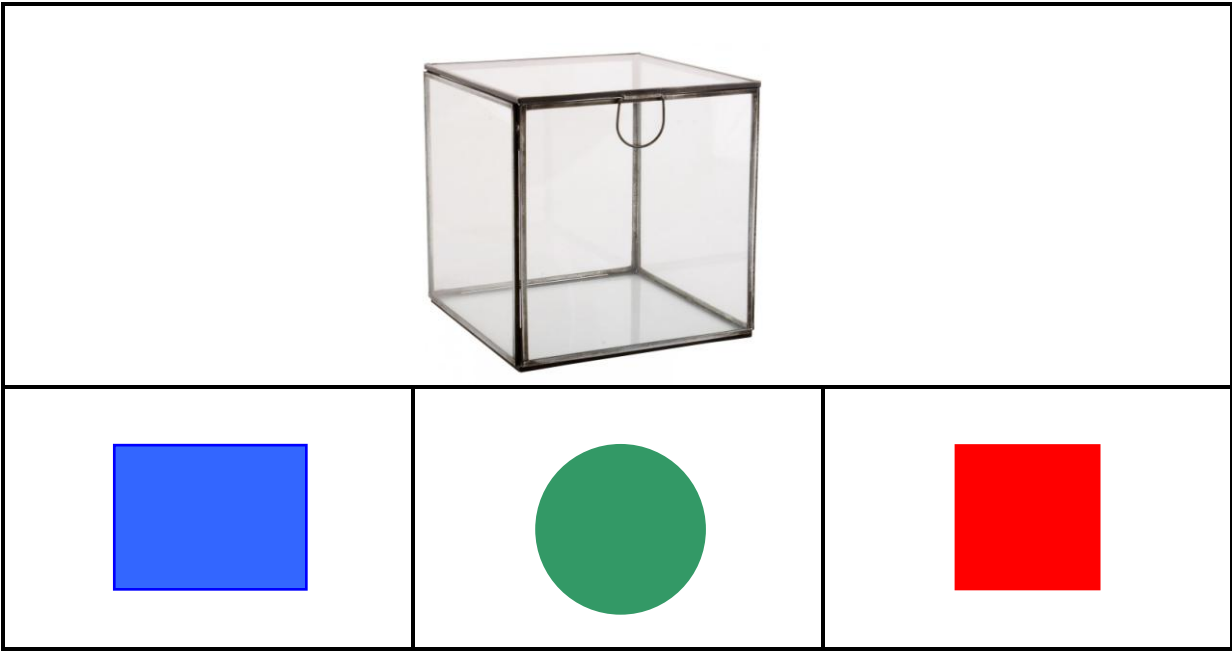

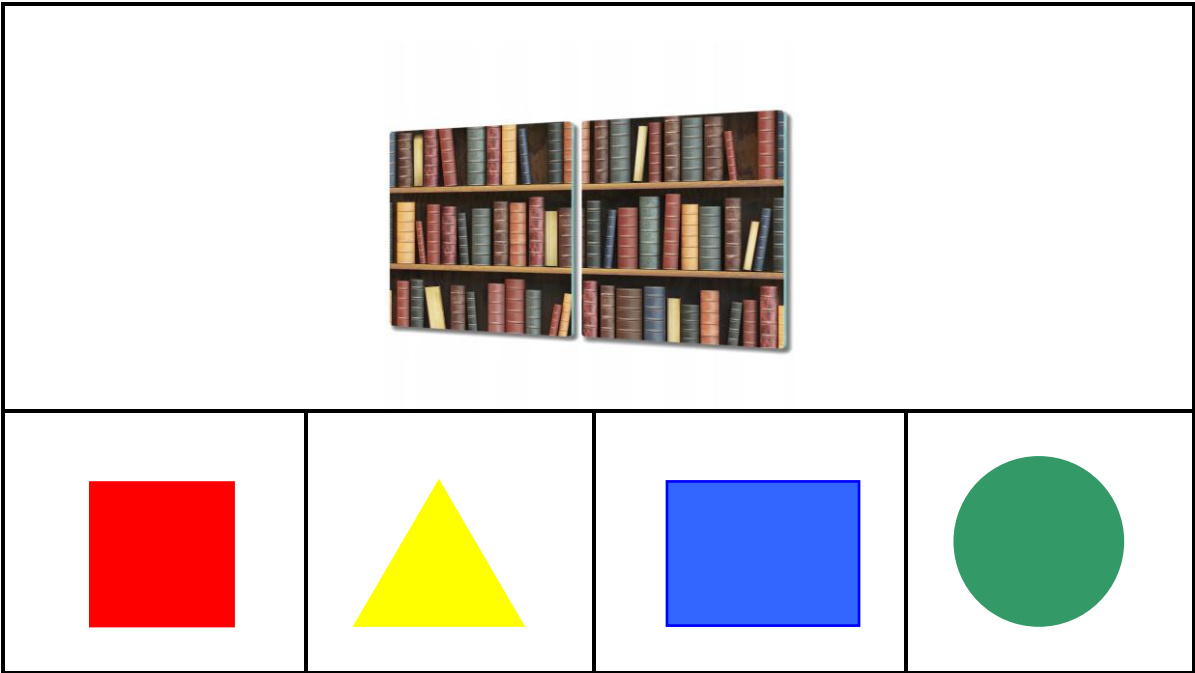

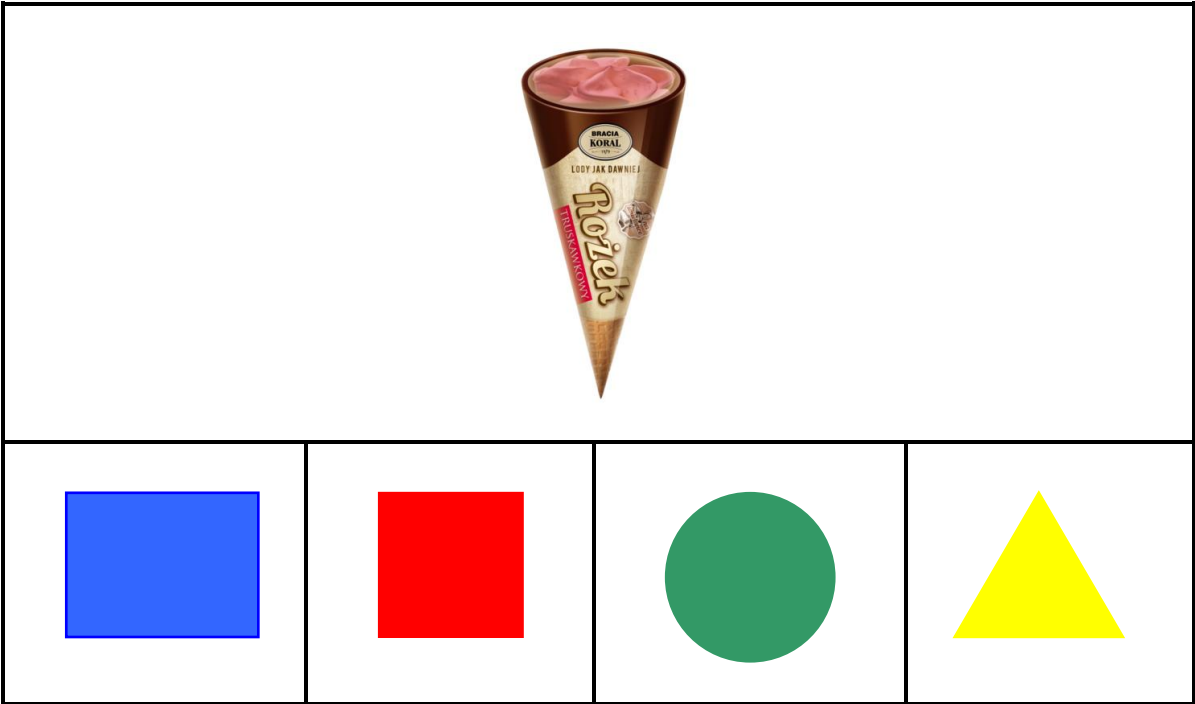

***Ćwiczenie II.**

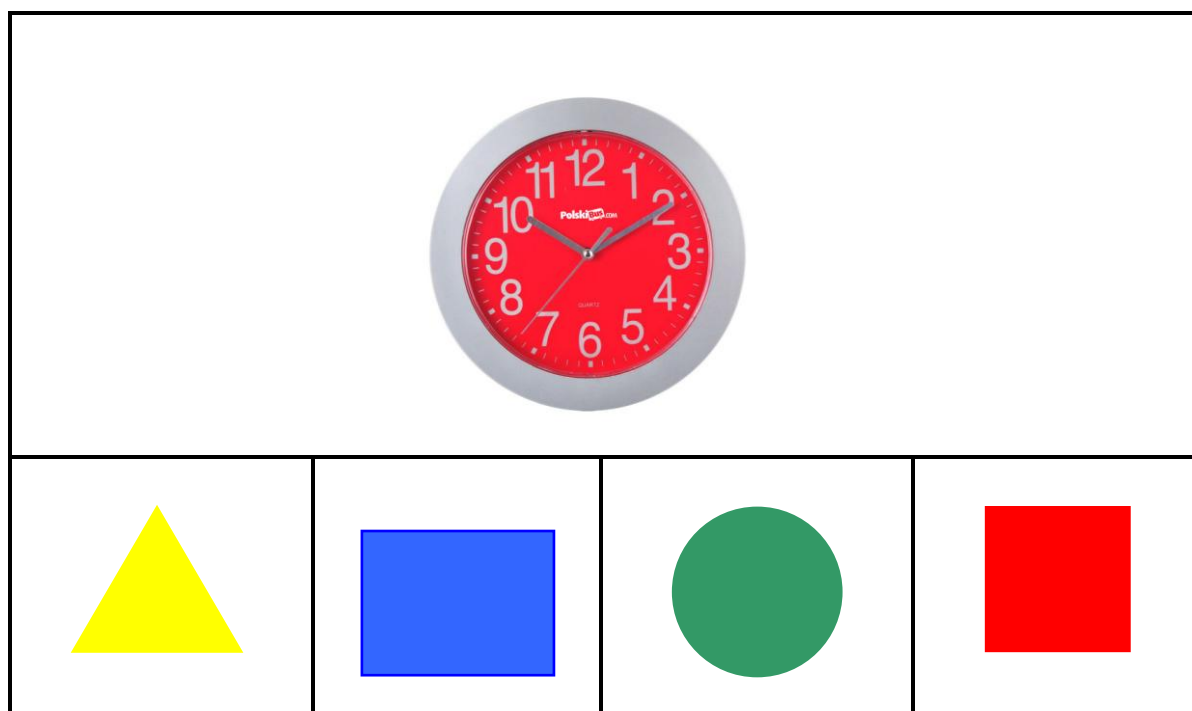

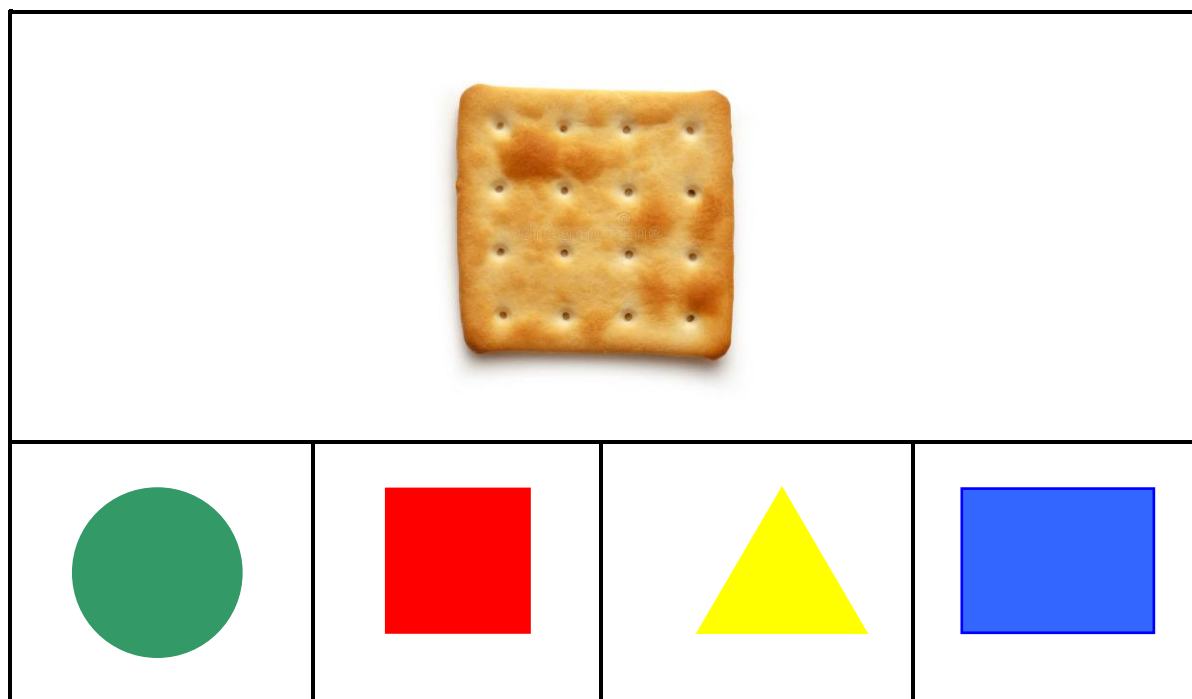

Wydrukuj. Przygotuj 6 klamerek. Dopasuj figurę geometryczną do przedmiotu na obrazku - przypnij klamerkę we właściwym miejscu.

*Całość opracowała Ilona Kobus
